

# J&J Nursery's Dog Policy

Well-behaved, leashed dogs are allowed to visit the nursery with their owners, but we must ask that you follow the guidelines below to ensure the safety of your pet, our customers, and our products.

\* Please remember that our nursery sells and uses chemicals such as fertilizers, herbicides, and pest control products. Hoses and containers in the greenhouses and nursery areas may contain fertilizer and/or plant food. Do not under any circumstance allow your pet to drink from hoses or containers at our store. We cannot be held responsible if your pet consumes any chemicals while at the store.

\* Out of respect for other customers, please keep your dog leashed and near you at all times.

\* Be prepared to clean up after your dog no matter where you are in the store, nursery, or parking lot. If you forgot a clean-up bag, please ask an employee for one.

\* If your dog is barking or jumping, we ask that you <sup>[ ]</sup><sub>SEP</sub> return to your car

\* If your dog is uncomfortable or aggressive in public, please don't bring it with you. We reserve the right to ask you to remove your dog from the store at any time as deemed appropriate by our employees.

*Thank you for your help in making J&J a dog-friendly store! \**

**\*While it is uncommon, this policy may change at any time without notice**
